

[Palm Beach Wedding Planner Says "I Do" To 'Platinum Weddings'](#)

PALM BEACH POST

If you watch Platinum Weddings on WE, you're gonna see a lot more of Tiffany Nieves, a Palm Beach celebrity wedding planner.

Nieves owns Dream Design Weddings and has been featured on the hit series, which spotlights extravagant wedding ceremonies most of us can't afford to have. Nieves is now a series regular and was the first wedding planner to be featured on two shows in the same season and the only planner the show's production company chose to participate every season. Platinum Weddings is now in its third season.

You can watch Nieves' company in action on Sunday at 10 p.m. as one couple transforms their beachfront estate into an eye-popping wedding site, complete with massive tents, spectacular lighting and an acrylic dance floor over their swimming pool.
